

# Strategic Plan 2017-2022

## CORNERSTONES

RESPECT HONOR RESPONSIBILITY COMPASSION

### MISSION

*Louisville Collegiate School inspires academic excellence, extraordinary character, and global citizenship.*

### GOALS

Academic Excellence	Financial Sustainability	Character	Marketing	Diversity and Inclusion	Global Citizenship
Committee Chair: Clay Gahan	Committee Chair: Deana Paradis	Committee Chair: Jim McGuire	Committee Chair: Kristina Lowe	Committee Chair: Lisa Riker	Committee Chair: Tracie Catlett
To continually improve excellence in faculty, pedagogy, programming, and instructional resources to empower each of our students to succeed in the quickly changing world.	To develop a five-year financial plan designed to stabilize financial capacity over time and allow for long-term growth while maintaining a commitment to our mission.	To develop and expand on our community commitment to character education.	To drive a clear understanding of our unique brand, internally and externally, in order to maximize inquiries and increase affinity among students, faculty, parents, and alumni.	To create a more inclusive community because a diverse community enriches us all.	To strengthen our global citizenship commitment by developing globally aware and competent individuals who can live, work, and engage in an interconnected world.

### RATIONALE AND VISION

Distinguished by a thoughtful curriculum and caring faculty, Collegiate's academic program is a point of tremendous pride and continual focus and remains central to our mission and identity. The school's expansive new facilities and resources provide us with the ability to further enhance the academic experiences for all students and faculty. Our vision is to provide a challenging and supportive academic experience that empowers students to continually expand their desire and ability to learn.	The development of a multi-year financial plan will ensure continued long term financial sustainability for the school. Our vision for financial health of the school will be sustained through flexibility in operating structure, tuition management, and success in fundraising.	Research shows that a dedicated and conscientious focus on character development creates a safe place where students can flourish personally and excel academically. Continued cultivation of our cornerstones encourages us all to be engaged and ethical citizens, strong and just advocates, and caring and supportive neighbors. Our vision is for Collegiate's approach to character education to be dynamic, responsive to an ever changing world, and interwoven into every part of our community experience.	Our school has a unique message and it is important that we actively market and communicate our story, both internally and externally, as we continue to expand our curriculum, course offerings, new facilities, and programs. Our vision is to be viewed as the benchmark institution for academic excellence, extraordinary character, and global citizenship in the area.	Firmly committed to building and supporting a diverse and inclusive community, Collegiate empowers students and faculty to be themselves regardless of race, religion, socioeconomic status, sexual orientation and gender identity. Our vision is a community where members aspire to become educated, compassionate, respectful citizens of our school, community, and the world.	Teaching students to be world citizens who are knowledgeable, ethical, curious, and internationally minded is at the core of a Collegiate education. Active global citizenship supports the cornerstones and makes each of us and our interdependent world better. Our vision is to cultivate an inclusive and globally minded school community whose members contribute to the world around them with compassion, energy, and distinction.
