Spring 2022

FROM OUR LEADERSHIP

Dear Collegiate Community,

It's springtime in Kentucky; the flowers are blooming, the grass is green, and our students are thriving in the classroom. As COVID cases continue to decline in Kentucky, we are transitioning back to standard operating procedures and protocols. It's great to see smiling faces once again.

Our seniors have experienced their high school years like no other classes. From in-person instruction to remote learning, they have pivoted flawlessly and adjusted to the new norm brought on by the pandemic. We look forward to celebrating them at the 106th Collegiate graduation on May 27 at 1:00 p.m. at St. Matthews Baptist Church. We invite you to join us in person as we honor them and their accomplishments.

In the past few months, our students across divisions competed in academic competitions, including Mock Trial, Quick Recall, Robotics, and Governor's Cup. Each team performed well, with some even representing Collegiate at the state and national level. In March, we hosted our Grand Opening Ceremony for our new turf field at Champions Trace. Look at page 17 for more information on how you can help us build a new Athletic Complex at the turf field.

As I shared at our Community Wellness Series for parents and guardians, it has never been more important than now to focus on the health and wellness of our students and our community. It is going to take all of us if we are to make Louisville Collegiate School the healthiest place for kids to grow up. Our ongoing work is to continually evaluate our culture, climate, curriculum, and well-being at Collegiate, ensuring that our school is a healthy place for all in our community. We want everyone to see what we already know; Collegiate delivers, in a transformative way, a whole-child approach to education. Watch for ways you can be involved in this process.

Thank you for your support and for being a part of this wonderful community.

Sincerely,

Dr. Robert P. Macrae

Collegiate Officially Opens Turf Field

On Friday, March 11, 2022, Collegiate held the grand opening celebration for the new turf field at Champions Trace. The new field has LED lights, stadium seating, and the Nibur/Pearson Scoreboard.

It was an unseasonably cold, snowy night as the Collegiate community gathered to officially open play on the new field. The Amazon Varsity Lacrosse team won 12-1 against Central Hardin. Dr. Rob Macrae, Head of School, welcomed everyone and thanked the donors who made it possible for Collegiate to build its first turf field for field hockey, lacrosse, and soccer. Paul Augustus, Director of Athletics, thanked everyone for their support and provided an update on the next steps to build a 13,000 sq. foot Athletic Complex that will include the following:

- Locker Rooms & Team Conference Room
- Restrooms
- Concessions
- Athletic Training Rooms
- Squash Center: four courts, plus viewing area
- Golf Virtual Sports Lab: two simulators

After the opening festivities, the Titans Varsity Lacrosse team took the field for a game against Fredrick Douglass. The team won 4-3 in overtime. The night was truly a **V-I-C-T-O-R-Y** for everyone!

Athletics Adds Squash as a Varsity Sport

Louisville Collegiate School is excited to officially add squash as a varsity sport. The school has been offering squash through exploreCollegiate for Middle and Lower school students for the past few years. The team is coached by **Lee Scott P'22**, Director of Squash/Head Squash Professional at Louisville Boat Club.

The Upper School varsity team has 20 student-athletes in its inaugural season. They competed against several local and regional teams and secured victories over KCD, DuPont Manual, Trinity, St. Xavier, and Seven Hills from Cincinnati. The Upper School team finished fifth in the fourth division at the 2022 U.S. High School Squash Championships in Philadelphia, Pennsylvania.

Congratulations to our Middle School squash team, who competed at the 2022 U.S. Middle School Team Squash Championships in Philadelphia, finishing in fourth place in the second division. Collegiate's Middle and Upper School teams were the first-ever school teams from Kentucky to compete at the Squash National Tournament. We look forward to growing our squash teams and competing again next year!

Join us for the 60th Running of the Kindergarten Derby

On May 5, 2022, Collegiate will host the 60th running of the Kindergarten Derby. The event is one of Collegiate's most treasured traditions. In honor of our 60th Kindergarten Derby, we invite all former faculty and past winners to join us at this year's event to be Grand Marshalls of the Derby Parade. Please meet us on the campus field near the courtyard. Everyone is welcome and encouraged to join us as we celebrate our 60th running of the Kindergarten Derby at 10:30 a.m. on May 5.

COLLEGIATE GOLD *Gala* 2022

Gold Gala 2022 Raises Record Numbers

Thank you to everyone in the community for helping make the Gold Gala a major success. With nearly 350 attendees and community members participating online, we raised more than \$300,000 before expenses from the event!

Income from this event supports faculty professional development and salaries as well as programming for academics, arts, and athletics. More than \$100,000 was raised for the Collegiate Endowment for Scholarships and is a wonderful testament to the generosity of this community.

A HUGE thank you to our donors and this community! We truly appreciate your help in making the Gold Gala a true record-breaking success!

Special thanks to our Co-Chairs, **Erin Eggers Fidler '96** and **Denise Ragland**, Silent Auction Chair **Megan Hoskins '94**, and our Food and Decor Chair **Diana Robbins** for all of their hard work!

Collegiate to Open 2022-2023 School Year with Record Enrollment

It has been a record-breaking admission season at Collegiate! After an amazing fall season touring hundreds of families, hosting over **250 prospective students** for a shadow day, and receiving over **200 applications**, we are excited to welcome over **120 new students** to Collegiate this fall. Families are joining us from all over, including the UK, California, Missouri, Alabama, Indiana, and Kentucky from over 40 sending schools. The new students are an incredibly strong and talented group. Never before in Collegiate's long history have we had such a high number of qualified applicants resulting in wait pools in many grade levels.

- **The current retention rate for current families is 98%!**
- **Enrollment will be the highest in Collegiate history with the same strong student-to-teacher ratios.**
- **For the first time, we will have at least three class sections in every grade level, Junior Kindergarten-12th grade.**

We are grateful to our parent and alumni community for their referrals and our student ambassadors for hosting shadow students throughout the school year. Thank you for being a part of our admission process and showing the community why it's a great time to be at Collegiate.

If you know someone who may be interested in Collegiate, please contact our Admission Office at 502.479.0378 or admission@louisvillecollegiate.org.

Dear Fellow Alumni,

This is my final *Bulletin* letter as I prepare to end eight years as President of the Alumni Association. Little did I know, when fellow classmate **Brian Cook '94** asked me to consider the position, that I would learn and grow so much on this journey. Over the past eight years, the Alumni Association has helped raise millions of dollars to upgrade our facilities and build new buildings. We have hosted the Alumni Awards free of charge, celebrated the school's centennial, updated our definition of alumni to include anyone who attended Collegiate (removing the associate alum designation), survived a pandemic, hosted alumni trivia nights and golf scrambles, continued to manage and run the Glenmary Shop, and most recently, broke a record fundraising for the Gold Gala, which was co-chaired and supported by many alums! In addition, alumni continue to work with Tiffany Bridgewater, Director of Diversity, Equity, and Inclusion sharing important stories, experiences, and history. The impact of the alumni community is significant, and it has been incredible to be part of this experience.

I am thrilled to pass the Alumni Association Board leadership over to **Mark Bowling '03**. Mark and his family have a long history with LCS, including his wife teaching Middle School math and his daughters attending the school. Mark has served on the alumni board as a member and VP for several years. He has been active in planning Alumni Awards, volunteering at the Glenmary Shop, recruiting alumni to serve on the board, and recently serving on the Advancement Committee of the Board of Trustees. Mark is dedicated to the school, and I look forward to supporting him and seeing all he will accomplish in this new role.

We still have some exciting things coming up, and we need your continued support and participation. We recently celebrated the grand opening of the new Turf Field at Champions Trace. The Victory Campaign, which is funding the project, has raised over \$5 million to lay the turf, put up lights, and install stadium seats and a press box. We still need to raise \$2.7 million to secure funding for the Athletic Complex, which will provide bathrooms, locker rooms, concessions, training and conference rooms, a golf simulator, and squash courts. The Victory campaign has some amazing alumni giving opportunities including naming the Bunch Sanders Griffin '37 press box, purchasing a stadium seat to honor a teacher, player, class, team, etc., supporting the Coach Wendy Martin Sideline, or giving to the Simon Stern Fan Zone.

On May 5, Collegiate will host the 60th running of the Kindergarten Derby following the last Alumni Association board meeting of the year. If you are interested in serving on the board, join the meeting and stay for the races. On June 7, the Alumni Association will co-host the Golf Scramble versus KCD at Harmony Landing. Get your team together and contact **Catherine Gatewood Easley '02** to secure your spot! Finally, save the date for Reunion Weekend and Alumni Awards on September 16-17. The awards dinner is Friday night, followed by homecoming games on Saturday on the new turf field. Even if it isn't your milestone reunion year - join us and plan to get together with classmates.

Thank you all for an incredible eight years leading the Alumni Board. I look forward to seeing many of you at the upcoming events!

Sincerely,

Megan Hoskins '94

Alumni Come Together to Honor Collegiate Legends and Support Future Amazons and Titans

The new turf field will enhance Collegiate's athletics facilities at Champions Trace, elevating practice and play for field hockey, golf, lacrosse, soccer, and squash.

Several proud alumni from across the decades learned about the new turf field and immediately saw an opportunity to support future generations of Collegiate athletes while honoring our storied past. These efforts include:

Bunch Griffin Press Box

What better way to honor Elizabeth "Bunch" Sanders Griffin '37, Amazon Field Hockey's biggest fan, than by donating to the new press box where the announcer will call the games! The goal is to raise \$60,000 for the "Bunch Griffin Press Box" and your support is needed. An anonymous alumna donor has pledged to match every dollar given up to \$30,000!

Coach Wendy Martin Sideline

Help make Coach Wendy Martin's legacy a permanent fixture at the new turf field at Champions Trace by supporting the naming of the sideline in her honor. Wendy Martin served at Collegiate for 35 years as a teacher, coach, and athletic director.

Simon Stern Fan Zone

Since joining the Collegiate community almost 30 years ago, Mr. Stern has spent countless hours coaching in the classroom and on the court, driving our students all over town, and supporting our athletes and artists in every way possible. Help us honor Mr. Simon Stern's unwavering commitment to Collegiate with a donation!

Name A Seat

A \$1,000 seat donation can celebrate a loved one, honor a student-athlete, or surprise an impossible-to-shop-for person in your life with a gift that leaves a legacy. Your seat plaque guarantees that you or your loved one will be a part of Champions Trace for generations to come!

Make A Donation Today!

We hope you will join your fellow alumni and make a donation to the Victory Campaign. There are several ways to support the campaign and honor these individuals who have helped to build the athletic program at Collegiate. Donations can also be made to honor a specific coach, team, teacher, or sport. Please scan the QR code below to make your gift to the Victory Campaign.

COVID paused many reunion celebrations over the past few years, so all Alumni are welcome and encouraged to attend Reunion Weekend to celebrate any missed Milestones together.

September 16 -17

Each year, the Louisville Collegiate School Alumni Association presents awards to honor members of the Collegiate community for outstanding achievement at the Alumni Awards and Hall of Fame Induction Ceremony. This year, the event will be held on Friday, September 16, on campus. The event is free and open to the entire community. Watch for the summer edition of *The Bulletin* to announce the winners!

On Saturday, September 17, we invite alumni to join us for homecoming at Champions Trace. We will dedicate the "Bunch" Sanders Griffin '37 Press Box, Coach Wendy Martin Sideline, Simon Stern Fan Zone, and more!

If you graduated in a year that ended in a "2" or a "7", then it's your milestone reunion year! There is no right way or wrong way to have a reunion. Like each

The Class of 2000 Remembers Elizabeth Deters Cayne '00

The Class of 2000 and Collegiate faculty fondly remembers **Elizabeth Deters Cayne '00** for her kindness, her quirkiness, and her brilliance.

Beth graduated from Yale in 2004 and completed her MFA at the San Francisco Art Institute. Her work has been exhibited around the world including exhibitions at SFMOMA and Yale's British Art Center. She was a member of the board of Root Division, a visual arts non-profit in San Francisco, and a generous supporter of her community and friends.

Beth approached her cancer diagnosis as she did life, with poise, determination, humor, and grace. She is survived by her loving husband Brian, son Lee, father Edward, mother Beverly, and brothers Ward, Drew '98, and Van '03.

Her light will continue to shine in her whimsical art and our memories.
