Monday Classes

1-2 Center Time

Lori Trexler

Is your student looking to investigate more or dress up more or solve more puzzles? JK teacher Kerry Lawler will host students in a primary classroom each week for students to spend time with peers and increase their discovery in guided academic and social centers.

K-2 Beginning to Explore Music

George Paul Smith

Does your student love music? Are they showing interest in learning to play an instrument and discovering how sounds come together to create one of mankind's most inspiring and essential creations? Join George Paul Smith to begin your student's exploration of music.

1-4 Squash - \$210 class fee

Lee Scott

OFF-SITE AT LOUISVILLE BOAT CLUB - Collegiate will provide transportation to LBC but parents need to pick up students from Louisville Boat Club at 4:30

Join Lee Scott, one of the UK's top-ranked squash players and a world-class coach, in an introduction to squash, a fast-paced indoor racquet sport that is quickly gaining popularity across the nation. Enjoy games, fitness, and the development of racquet skills at one of Louisville's only regulation squash facilities at the Louisville Boat Club. All ability levels are welcome.

K-1 Running Club

Zac Singer

Mr.Singer will give students a glimpse into the sport of track. We will look to improve in areas of running form, sprinting, and distance races. Proper stretching will be emphasized each week to prepare for races and the cool-down period following a race.

Tuesday Classes

JK-8 Chess

Todd Payne

I am offering beginner and intermediate chess classes. We will be working on chess principles and having a lot of fun along the way. (Advanced players are welcome; I will pair the exceptional players with other accomplished opponents.)

K-2 Field Hockey Skills

Ariana Shah

Students will learn the skills of field hockey from former Amazon field hockey coach and Collegiate teacher Ariana Shah through fun games and challenging activities. If you have never touched a stick before or if you watched every game of the Olympic Games, Ms. Shah will help discover a love for the game of field hockey.

2-4 Running Club

Zac Singer

Mr. Singer will give students a glimpse into the sport of track. We will look to improve in areas of running form, sprinting, and distance races. Proper stretching will be emphasized each week to prepare for races and the cool-down period following a race.

Wednesday Classes

3-4 Field Hockey Skills

Ariana Shah

Students will learn the skills of field hockey from former Amazon field hockey coach and Collegiate teacher Ariana Shah through fun games and challenging activities. If you have never touched a stick before or if you watched every game of the Olympic Games, Ms. Shah will help discover a love for the game of field hockey.

3-8 Guitar

George Paul Smith

Ever wanted to learn to play guitar? Be a rock star? Got a guitar 2 birthdays ago that hasn't been used? Join George Paul Smith for Beginner Guitar fundamentals and technique.

1-4 Squash - \$240 class fee

Lee Scott

OFF-SITE AT LOUISVILLE BOAT CLUB - Collegiate will provide transportation to LBC but parents need to pick up students from Louisville Boat Club at 4:30

Join Lee Scott, one of the UK's top-ranked squash players and a world-class coach, in an introduction to squash, a fast-paced indoor racquet sport that is quickly gaining popularity across the nation. Enjoy games, fitness, and the development of racquet skills at one of Louisville's only regulation squash facilities at the Louisville Boat Club. All ability levels are welcome.

Thursday Classes

K-3 Creation Station

Ashley Dykes

What could you create if the sky was the limit? Take some time to let your creativity run wild in Creation Station! Cardboard, paper, tape, and scraps galore—all of which you can use to make your vision come to. Build a city, a cool spy gadget, a futuristic car, anything you can think of! Spend the end of your day unwinding and creating how YOU want to.

3+ Musical Theatre Workshop

Time Slip Theatre

Wanna learn how to sing, dance, and act? Time Slip Theatre is offering a semester-long Broadway musical workshop that will focus on all three areas of musical theatre! From signing songs to acting out scenes and learning choreography, the students will enjoy a full semester of instruction on everything that makes a musical a musical! By the end, they'll feel more confident and prepared to take the stage in a real show knowing they have the skills and preparation to be successful in the arts!

1-4 Invasion Games

Tyler Whitchurch

Join Coach Whitchurch to play Invasion Games. Work with your team in fast-paced games focused on ball control, keeping possession, and moving into scoring position. With teamwork, you can prevent the opposition from scoring and score for your team!

5-8 Fast and Furious! Inkscape Muscle Cars

Rich Mills

Learn to draw Muscle Cars in Inkscape. Mr. Mills is ready to work with this class to explore their next step in computer graphics.

Friday Classes

1+ Intro to Sign Language

Sarah Davis

Learn the basics of American Sign Language.

2-4 Spotlight Drama Club - \$180 class fee for extended class time.

George Halitzka

If you like acting (or just want to try it out), you'll love Spotlight Drama Club! We'll learn about a different acting skill every week, like creating a character or performing in pantomime, using cool games and activities. Spotlight Drama Club is great preparation for performing in our drama club plays later this year or for any other acting that you do. Your parents will be glad that Drama Club helps build self-confidence, teamwork skills, and creativity. You'll be glad that Drama Club is a lot of fun. Join us to build your acting skills! The final session (Oct. 7) will be extended until 5:00 pm for our performance. Note that the performance will be a showcase of what students have learned in class, not a fully-staged play. We'll perform a play (as we've done in the past) during the next term of exploreCollegiate!

5-8 Shall We Draw the Moon? Inkscape Night Scenes

Rich Mills

Learn to draw Nighttime Scenes in Inkscape. Mr. Mills is ready to work with this class to explore their next step in computer graphics.
