EX-OFFICIO

Dr. Robert P. Macrae,
Head of School

Dear Collegiate Community,

On August 16, we opened our 108th school year with nearly 780 students. We are excited and looking forward to a great year. The past few years have been filled with uncertainties, but the one constant that has remained the same has been the support of this great school from our alums, parents, grandparents, friends, board of trustees, faculty, and staff.

As you read through this Impact Report from the last school year, you will see firsthand how your generosity and support made a difference to every student at Collegiate. We are grateful that you are part of the Collegiate community. We hope you enjoy seeing the smiling faces of our students and reading all about our accomplishments this past school year.

With appreciation,

Dr. Robert P. Macrae
Head of School
William M. Street Leadership Chair

OUR IMPACT: TOGETHER

After 18 months of interruptions and distance, Louisville Collegiate School's community spirit in the 2021-22 school year was off the charts!

Collegiate faculty, families, staff, students, and trustees - both past and present - came together in so many meaningful ways in the 2021-22 school year.

Our Collegiate community saw renewed enthusiasm in volunteering - in our classrooms, on the field, and through the Parents Association, Admission Office, Alumni Association and Advancement Office. This partnership between volunteers and staff is how we successfully provide an inclusive, vibrant community.

We invited the community to #GiveTogether in support of the Annual Fund, scholarships, and the VICTORY Campaign for Champions Trace. Our generous community embraced each opportunity to give, and each supporter is making an investment that is meaningful for the young people we are developing...together.

This 2021-22 Impact Report highlights many successes in the 2021-22 school year, and most importantly, celebrates the work of all volunteers and donors who made an impact for our students and the future of our school.

ANNUAL FUND 2021-2022

The dollars raised by the Annual Fund each year help bridge the difference between the tuition charged and the actual cost of providing a Collegiate education. Beyond the operating dollars, our high participation rate from faculty, families, and alumni is an incredible validation of the Collegiate experience, and it has already helped us qualify for an exciting grant from the Edward E. Ford Foundation!

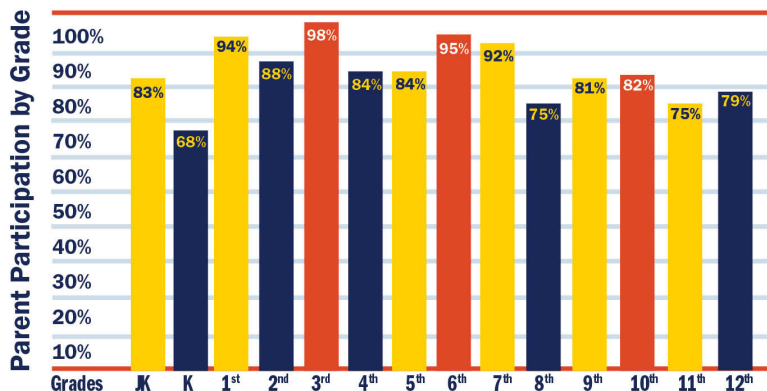

Total Dollars - \$542,931

Family Participation - 84% (5-year high)

Alumni Participation - 14%

First Time Donors - 137

Congratulations to families in the Class of 2031 for the highest overall participation!

Thank you to the Annual Fund donors who chose to direct their gifts to specific programs.

...TO LEARN

14 gifts directed to Academics, Professional Development, and Faculty Salaries

Academics continues to expand beyond its traditional scope at Collegiate. Beginning in the Lower School, the learning support specialists in the Center for Learning Advancement (CLA) ensure that every student has the opportunity to appreciate their unique learning style and each teacher is prepared to offer differentiated instruction.

James Marshall '25, Elizabeth Relish '25, Holden Boles '25, and Ruby Sullivan '25 won the WorldQuest State Competition.

- 85% of the Class of 2022 were offered college merit scholarships
- 75% of the teaching faculty took advantage of professional development funding to support their growth in 2021-22
- 2 - State championships - Academic WorldQuest and Delta Robotics
- 5 - Innovation Grants were provided to teams of faculty developing new ideas/projects/courses.

"The Center for Learning Advancement advances the learning of students by meeting their unique educational needs and the Annual Fund helps us to do this important work. CLA Learning Specialists in all three divisions create comfortable, dedicated learning environments to suit the needs of our students. Alternative seating, standing desk options and organizational materials help students determine how they learn best! The CLA is also an additional resource for classroom teachers as they differentiate providing both materials and support. Intentionally teaching executive functioning skills to our 3rd and 5th graders is exciting work and we look forward to continuing to develop this curriculum."

-Becky Freytag
Director of the Center for
Learning Advancement

- Fall: 304 Student Athletes in Cross Country, Field Hockey, Golf, Soccer
- Winter: 258 Student Athletes in Basketball, Squash, Swimming
- Spring: 309 Student Athletes in Crew, Lacrosse, Track and Field
- Middle School expanded to two golf teams
- Addition of Upper School Varsity Squash team
- Addition of 25 Coaching Staff

"The Athletic Department is incredibly grateful for all those who contributed to the Annual Fund. This support truly makes an impact on our athletic program and our work to provide meaningful experiences for our Amazons and Titans. The 2021-2022 school year saw record participation numbers in athletics across grades 5-12, and contributions to the Annual Fund allowed us to expand coaching staffs, and provide professional development for coaches and our athletic department staff."

- Paul Augustus
Director of Athletics, 5-12

...TO PLAY

8 gifts directed to Athletics

Nearly 82% of Middle and Upper School students play a sport at Collegiate. Strong participation in Athletics in the Middle and Upper Grades is a clear indicator for our community's appreciation for development of mind and body, as well as Amazon & Titan Pride.

...TO PERFORM

10 gifts directed to Arts

The stunning array of Arts offerings for our students begins in Lower School with Art and Music for each grade. Contemporary Music, Design, Integrated Vocal Music and Drama, and Strings are added in the Middle School, when many students begin to join ensembles and stage performances. By Upper School, students have more than 14 Arts courses available, including Art History and Photography. Last year's teachers sponsored an additional five independent studies.

- Visual Arts Showcases: Lower School, Middle School, Upper School, and "Deck the Walls"
- Six Musical Showcases: Strings, Rockband, Winterlude Madrigal, and Holiday Concert
- Productions: *Macbeth*, *Wizard of Oz*, *Beauty and the Beast Jr.*, *Legally Blonde*, and *Peter and the Starcatcher*
- New Electronic Drum set for Contemporary Ensemble

"The Annual Fund support for the Arts budget enables me to pick the newest music published yearly for all of my string ensembles. When I first began teaching at Collegiate, most of the music was composed and arranged by men. I have been able to purchase more diverse music. Last year we performed pieces composed and arranged by various genders and ethnicities. The Strings/Contemporary Music Concerts in November and May were standing room only, with collaboration from the 8th Grade Strings, Upper School Strings, and Contemporary Ensemble. Almost ninety musicians performed simultaneously to bring the audience to a frenzy."

...To CONNECT

11 gifts directed to Diversity, Equity & Inclusion & Financial Assistance

After the challenges of the last several years, our community has renewed appreciation for the importance of human connection. Continued financial support for COVID protocols allowed us to connect safely and with more accessibility for families more than ever before. The school's socio-economic diversity continues to grow, with nearly 40% of families receiving financial assistance thanks to the Annual Fund and endowed scholarship funds. Donor support for our intentional work in diversity, equity, and inclusion have allowed us to notably increase the budget for that programming. A thoughtful selection of books on DEI topics were purchased and provided to every member of Collegiate's faculty and staff, Parents Association Board, and Board of Trustees DEI subcommittee for the 2022 summer reading program, and discussions around these books will continue throughout the 2022-23 school year.

Dr. Macrae interacting with students during Lower School field day.

"Gifts directed to DEI sponsor training with faculty through The National SEED Project (Seeking Educational Equity and Diversity). These seminar-style group meetings provide a framework for faculty to continue building their cultural competency. The unselfish giving to help support DEI programming in our school community helps provide materials and resources required to participate in the year-long course. Gifts to DEI help us support and expand the activities for our student-led affinity groups in the Upper School."

- Dr. Tiffany Bridgewater
Head of Lower School &
Director of Diversity, Equity,
and Inclusion

More than 95% of gifts to the Annual Fund are unrestricted contributions to the operating budget - these gifts support all areas of the Collegiate experience!

ALUMNI ASSOCIATION

The 2021-22 Alumni Association Board was composed of 22 members from a wide variety of class years. The Alumni Association hosted the annual Alumni Awards and Athletic Hall of Fame Induction Ceremony in September, attended by close to 100 alumni and both current and former Faculty and Staff.

The Association supported Collegiate through several organized events, including college conversations with young alums, the Junior Street Leadership Ceremony, the Senior Capstone Dinner and panel, the Alumni Connection photo, and more. The Alumni Association also manages The Glenmary Shop, which sells school spirit items and apparel. This revenue is given back to Collegiate through yearly donations of products and sponsorships to events, graduation gifts for our Seniors, memorabilia for students, and offers additional ways to foster relationships between alumni and Louisville Collegiate School. The Alumni Association Board voted to donate \$20,000 to the Victory Campaign over two years to support future generations of Collegiate athletes while honoring our storied past.

Revenue:	\$70,151.17
Expenses:	\$70,274.26
2021-22 Victory Donation:	\$10,000

Several proud alumni from across the decades spearheaded efforts to support future generations of Collegiate athletes while celebrating our storied past. Families and friends joined these alumni to create an incredible impact in honor of our athletic program and legends like **Coach Wendy Martin, Elizabeth “Bunch” Griffin Sanders ’37, Simon Stern, and Coach Jim Schum.**

Mary Rodes Lannert Athletic Center

The Collegiate community came together on February 26, 2022 for the Gold Gala. Over 350 guests had a great time bidding on a wide variety of live and silent auction items, enjoyed an incredible meal, and danced the night away. The Gala Committee, led by Co-Chairs, **Erin Eggers Fidler '96** and **Denise Ragland**, Silent Auction Chair, **Megan Hoskins '94**, and our Food and Decor Chair, **Diana Robbins**, truly thought of every detail and made it a memorable event.

The evening raised \$146,773 for the 2022-23 Operating Budget and \$115,243 for the Endowment for Scholarships.

Income from this event supports faculty professional development and salaries as well as programming for academics, arts, and athletics. The amount raised for the Collegiate Endowment for Scholarships was a wonderful testament to the generosity of this community.

Thank you to our donors and this community! We truly appreciate your help in making the Gold Gala a record-breaking success!

Named for the school's founders, Virginia Perrin Speed (1879-1968) and her husband, William Shallcross Speed (1873-1955), the Speed Society consists of individuals and families who make a legacy gift to Collegiate's planned giving program.

Joining the Speed Society:

Planned gifts can provide a variety of benefits which may include life income, continued use of gift property, an avoidance of capital gains tax and immediate tax deduction.

Contrary to popular misconception, nearly everyone can make a planned gift to Louisville Collegiate School at some level and a multitude of simple options exist:

Bequest

Making a bequest to Louisville Collegiate School can be easily accomplished by including a few sentences in a will or Revocable Living Trust. Bequests are flexible and can be adjusted-perhaps for this reason, 75% of planned gifts come in this form! Legal and financial advisors will know how best to structure a will to meet a donor's financial needs.

Life Insurance

Whole-life insurance policies represent a valuable opportunity to make a major gift that benefits both the donor and the school in many ways. It is incredibly simple to name the School as a beneficiary on your policy.

Retirement Plans

Naming Collegiate as the beneficiary of a retirement plan (IRA, 401K, or 403B) is an easy and tax efficient way to leave a legacy gift. Given current tax laws, beneficiaries other than spouses may be taxed on the income, but charities such as Louisville Collegiate School are able to receive the full amount of remaining retirement assets.

Other Planned Gifts

A properly chosen planned gift vehicle may offer significant tax benefits and retirement income to the donor, while imparting a much larger gift than imagined.

To join the Speed Society, please contact **Mandy Helton**, Assistant Director of Development at 502.292.4059 or mhelton@louisvillecollegiate.org.
