OUR MISSION AND HISTORY

Louisville Collegiate School inspires academic excellence, extraordinary character, and global citizenship.

Founded in 1915, Louisville Collegiate School is an independent, coeducational, JK–12 college preparatory day school located in the historic Highlands neighborhood of Louisville, Kentucky.

Founded as a college preparatory school for girls, Collegiate graduated its first coeducational class in 1987. Collegiate admits students of any race, color, religion, gender identity, sexual orientation, and national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school.

The school supports a socioeconomically diverse student body through a substantial financial aid fund, with 40% of the Upper School receiving financial assistance.

ACCREDITATIONS

OUR CURRICULUM

Collegiate offers a demanding college preparatory curriculum with a strong emphasis on creative problem solving. The Upper School academic year is scheduled on a semester system with comprehensive exams in December and May.

Louisville Collegiate School does not rank its graduating students. Mid-year reports are sent in January with first semester grades and an updated GPA.

Classes that prepare students for Advanced Placement exams are labeled as "Advanced" on the school's transcripts.

THE CO-EDGE

The Co-Edge is a formal co-curricular program that prepares students for life outside of Collegiate. Courses include coding and mental health, ethics, and leadership.

MAY TERM

May Term is a 9th through 11th Grade program dedicated to experiential learning, global citizenship, and innovative academics. Rooted in our school mission, May Term provides a student-centered, cross-curricular, intensive five-day experience led by our Upper School faculty during the week following final exams. The May Term program launched in 2022 with eleven different classes ranging from The Ethics of Food, to Political and Legal Studies, to the History of Horse Racing. All May Term courses are Pass/Fail.

GLOBAL INITIATIVE

The Global Citizens Program is committed to creating global thinkers and leaders. The program is intensive and requires the following from students: rigorous study of global issues, substantial cultural engagement, meaningful global action, extensive language study, and a culminating capstone project.

RESEARCH INITIATIVE

The **Guild** fosters scholarly independence and intellectual curiosity throughout the stages of a long-term research project. Students who elect to participate in The Guild produce unique scholarship through academic writing in light of researching the established work of others within the field. Completed papers are 4000-6000 words in length and typically integrate 10-30 sources into the student's argument.

GLOBAL ONLINE ACADEMY (GOA)

Collegiate is a member of GOA, an accredited online school with only 60 NAIS schools in the consortium.

The mission of **Global Online Academy** is to replicate in online classrooms the intellectually rigorous programs and excellent teaching that are hallmarks of its member schools; to foster new and effective ways, through best practices in online education, for students to learn; and to promote students' global awareness and understanding by creating truly diverse, worldwide, online schoolroom communities.

DISCIPLINE REPORTING POLICY

As a matter of policy, Louisville Collegiate School may report out-of-school suspensions to colleges and universities.

ADVANCED PLACEMENT CURRICULUM

Louisville Collegiate School offers 20 advanced courses
that prepare students for Advanced Placement exams. In
the spring of 2007, the Upper School faculty voted not
to participate in the College Board audit of A.P. courses
in order to maintain local autonomy over the school's
curriculum.

*Classes that prepare students for Advanced Placement exams
are labeled as "Advanced" on the school's transcripts.*
